# PREMIUM FACADE SOLUTIONS

EDUCADESIGN has been committed to providing innovative solutions in technical and design projects since its establishment in 2004. With a strong focus on corporate initiatives, our company has become a reliable partner for businesses seeking practical, cost-effective and efficient solutions in Türkiye. Thanks to our commitment to excellence and customer satisfaction, EDUCADESIGN has been successful in a variety of industries including facade and interior decoration . Our success stems from our commitment to delivering high-quality results while providing comprehensive support at both central and local levels. With a passion for creativity and a passion for excellence, we continue to push boundaries and set new standards in the industry. At EDUCADESIGN, we believe in turning visions into reality and shaping the future with innovative design solutions.

#### ROBUST AND DURABLE

- Easy maintenance and repair
- Flame and shock resistant

#### HYGIENIC

- Non-porous and homogeneous
- Antimicrobial resistance
- Chemical resistance

#### FLEXIBILITY AND VARIETY

- Thermoformable and 3D-effects
- Organic and geometric design
- Perfectly suitable for complex design

#### LIMITLESS COLOUR VARIETY

- Reflection and depth-effect
- Supreme Collection offering stone, marble and concrete looks

#### FREE FROM JOINTS

- Glues together seamlessly
- Cast-like design

#### TRANSLUCENT

- Full-surface backlighting
- Variable luminosity
- Individual backlighting for logos and texts
